DONOR ADVISED FUND SERVICES

WHAT IS A DONOR ADVISED FUND?

A donor advised fund (DAF) is an efficient and flexible giving solution that provides immediate tax benefits. DAFs allow you to make grant recommendations to the causes you love on your own timetable. Grants can be made to eligible nonprofit organizations in the U.S. or abroad.

HOW DO WE MANAGE YOUR DONOR ADVISED FUND?

- The donor makes tax-deductible gifts to their DAF.
- The donor identifies and recommends charitable projects and organizations to whom they want to give.
- We conduct due diligence on the grant's eligibility.
- We disburse grant funds to fully-vetted nonprofits.

We offer two kinds of donor advised funds - a traditional DAF or a Mockingbird Account - making this tax-efficient giving vehicle accessible at any supporter level.
